PROFESSIONAL SUMMARY

Jim Atkins has worked in the design and construction industry for over 50 years, and over \$23 Billion of in-place construction has been delivered under his charge. During his tenure as a Principal/Owner of an international architectural firm, he functioned in many roles, including Project Manager, Construction Contract Administrator, Director of Construction Services, Chief Operations Officer, Chief Risk Management Officer, and Principal in Charge. His expertise and experience is enriched by his early years as a construction subcontractor, general contractor and construction manager.

EDUCATION / LICENSING / MEMBERSHIPS

Jim obtained a B.S. degree in architecture from The University of Texas at Arlington. He is certified by the National Council of Architectural Registration Boards, and he is currently licensed to practice architecture in Alabama, Arkansas, Colorado, District of Columbia, Florida, Georgia, Illinois, Indiana, Massachusetts, Michigan, Mississippi, Missouri, Nevada, New York, North Carolina, Oklahoma, Pennsylvania, Texas, and Virginia. He is a member of the American Institute of Architects, the Korean Institute of Architects, and the American Bar Association.
